

## CAN YOU HELP?

When – Friday, November 20, 2020 afternoon

SBIC (South Brunswick Interfaith Council) will not be cooking a Thanksgiving Dinner this year for 150 families in need from our area. Instead, we will be packing dinner boxes for the 150+ families to fix their own dinners with turkey, gravy, stuffing, sweet potatoes, green beans, corn, cranberry sauce, rolls and pie. St. James the Fisherman will be providing the canned green beans , as we have done for several years now.

We need your help to pack the boxes... I will meet you at our church on Friday afternoon, November 20 about 1 pm to carpool to the SBIC storage facility on Rt. 17 in Shallotte. Masks are a must!

Please consider this outreach opportunity and if you can help, please let me know by e-mail ([gary-barb-freeman@att.net](mailto:gary-barb-freeman@att.net)) by Sunday, November 15. I will then contact you with further details for meeting at church. Thanks for your help! The community thanks you!

Many hands will make for a much faster outing!

Gary Freeman, Outreach Liaison to the Vestry
